

Acknowledgements

I would like to express my gratitude and appreciation to my supervisor, Emeritus Prof. Dr. Don McNeil and, my co-supervisor, Dr. Metta Kuning for their invaluable assistance and helpful guidance on this thesis. To express gratitude to Asst. Prof. Dr. Chamnein Choonpradub chairman of examiner and Dr. Archin Songthap for being an external examiner.

I am grateful to the National Health Security Office (NHSO), the Ministry of Public Health and the Deep South Coordination Centre (DSCC) for providing the data.

I would like to acknowledge the Graduate School, Prince of Songkla University for funding this study.

I am also greatly indebted to Sampurna Kakchapati for his guidance and sharing knowledge, to Greig Rundle for help with English corrections.

Finally, give thanks to my mother and lovely sister for supporting.
